Investiture Ceremony at Akshara Vidyaashram School

The Investiture Ceremony was held with great enthusiasm and solemnity, marking a significant day in the school calendar. The event began with a graceful march-past by the newly elected student council, showcasing discipline and team spirit. The principal conferred badges and sashes upon the Head Boy, Head Girl, Sports Captains, House Captains, and other leaders, symbolizing the transfer of responsibilities and duties.

Inspiring speeches by the school leadership emphasized the importance of integrity, leadership, and service. The newly inducted leaders took the oath, pledging to uphold the values of the school and lead by example. The event concluded with the national anthem, leaving the audience with a sense of pride and hope for a dynamic year ahead. The Investiture Ceremony truly reflected Akshara Vidyaashram School's commitment to nurturing responsible future leaders.

Grandparents day

Grandparents' Day was celebrated with great joy at Akshara Vidyaashram Senior Secondary School, Cuddalore, on the school playground. The event was presided over by the school's Principal.

To mark the occasion, students from Grades 1 to 5 participated in ramp walk with their beloved grandparents. Various fun-filled games and competitions were organized for the grandparents. The grandparents were visibly delighted and enjoyed the event thoroughly. Over 300 participants, including students and their grandparents, took part in the celebration. Among the highlights were games such as the "Water Bottle Filling" competition, where grandparents teamed up with their grand-children, and a ball toss game into a basket, which saw enthusiastic participation.

The Grandparents' Day celebration was filled with joy, laughter, and cherished moments, making it a memorable day for all.

Nature trail - Bird feeder

Grade - 4 Children explored the wonders of nature through the chapter Nature Trail and took a step to care for the environment. They became young nature lovers by crafting eco-friendly bird feeders and learned to live in harmony with all living beings.

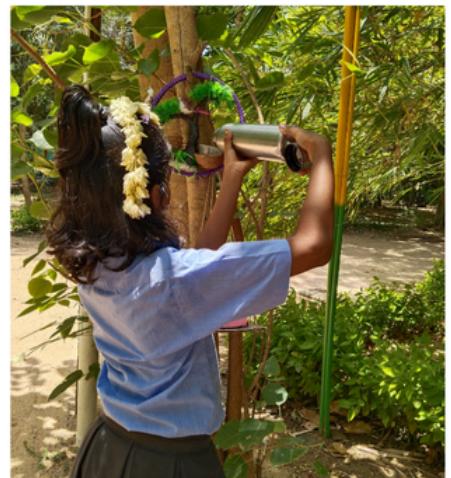

*"From books to trees, from sky to trail,
We learned how nature tells its tale.
With joy we built, with care we fed,
A bird feeder made with love, not lead!"*

"Little Environmentalists in Action"

**"Young Hands
at Work:
Nurturing
Nature with
Care"**

Grade - 4

In these vibrant frames, children are seen actively participating in eco-friendly tasks—tying bird feeders, hanging nest boxes, and tending to the greenery on their campus.

Their hands-on involvement not only highlights their love and respect for nature but also reflects the school's initiative in fostering environmental awareness from an early age. With smiles, teamwork, and gentle hands, these young learners are making a meaningful difference—one branch, one leaf, and one birdhouse at a time.

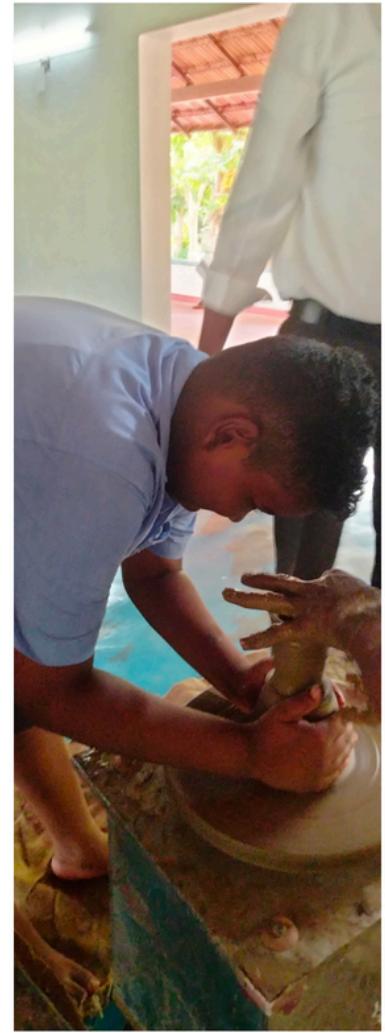

Learning the Art of Pottery

Students of Grade 5 have enjoyed a wonderful pottery session that brought learning beyond the classroom. Guided by an expert potter, the children had the chance to mould clay with their own hands and create simple, beautiful pieces. The activity encouraged creativity, focus, and appreciation for traditional art forms. It was heartening to see the joy and pride on the students' faces as they shaped their own clay bowls, diyas, cups, pots etc..

Pottery Workshop Moments

Toy - Making Workshop

Toy-Making – A Creative Success!

A joyful and engaging Toy-Making Workshop was conducted on 17th July 2025 for students of Grades 3 to 6 at the Art Block. Guided by the passionate and eco-conscious toy designer Mr. Subid, the session inspired students to explore the magic of creating toys from everyday, reusable materials.

Using old calendars, bottle caps, straws, boxes, and more, our young innovators brought their imaginations to life—crafting toys that were not just fun, but also kind to the environment. The hands-on sessions were filled with creativity, laughter, and learning, leaving every child with a handmade memory and a valuable lesson in sustainability. The workshop was a true celebration of creativity, resourcefulness, and mindful making.

Young Minds at the Forefront of Innovation

A Visit to Aravind Eye Hospital

Students Explore Innovation & Sustainability at Aravind Eye Hospital

On July 20, a group of our students attended the "Invent in India – Wisdom, Past, Present – Towards Original Future" summit at Aravind Eye Hospital, Puducherry. The event featured inspiring sessions by renowned scientists, inventors, and entrepreneurs. Students began the day with a calming Cellular Healing Meditation by Nilima Bhat at Aurodhan Art Gallery. Notable highlights included a powerful keynote by Mr. Mannanathan Rajupillai of Manatec Electronics and a moving address by Dr. Rengaraj Venkatesh on Aravind's mission to eliminate needless blindness.

The students had the opportunity to interact with innovators from IIT Madras, East Coast Hospital, and green tech startups, gaining insights into sustainable solutions and real-world applications of innovation.

The day concluded with a thought-provoking talk on the governance of invention by Yves Dumont and a panel discussion on Sustainability and Transformation.

YELLOW DAY CELEBRATION

**YELLOW DAY
CELEBRATION**

Yellow Day Celebration – A Burst of Sunshine!

The campus was filled with brightness and cheer as our little ones of Kindergarten celebrated Yellow Day with great enthusiasm! Dressed in vibrant shades of yellow, the children brought along a delightful array of yellow-themed toys, fruits , flowers decor and crafts.

The event was not only a visual treat but also helped children identify the colour yellow in fun and engaging ways. Songs, displays, and interactive activities made the day lively and joyful. The radiant smiles of the children perfectly reflected the warmth and positivity that Yellow Day stands for.

A big thank you to all parents and teachers for making this celebration a colourful success.
